THE BUILDING

Located in a quintessential Boston office building, two retail/restaurant opportunities on the first floor and lower level of 10 Winthrop Square have been entirely reconstructed and renewed for the most discerning retail tenant.

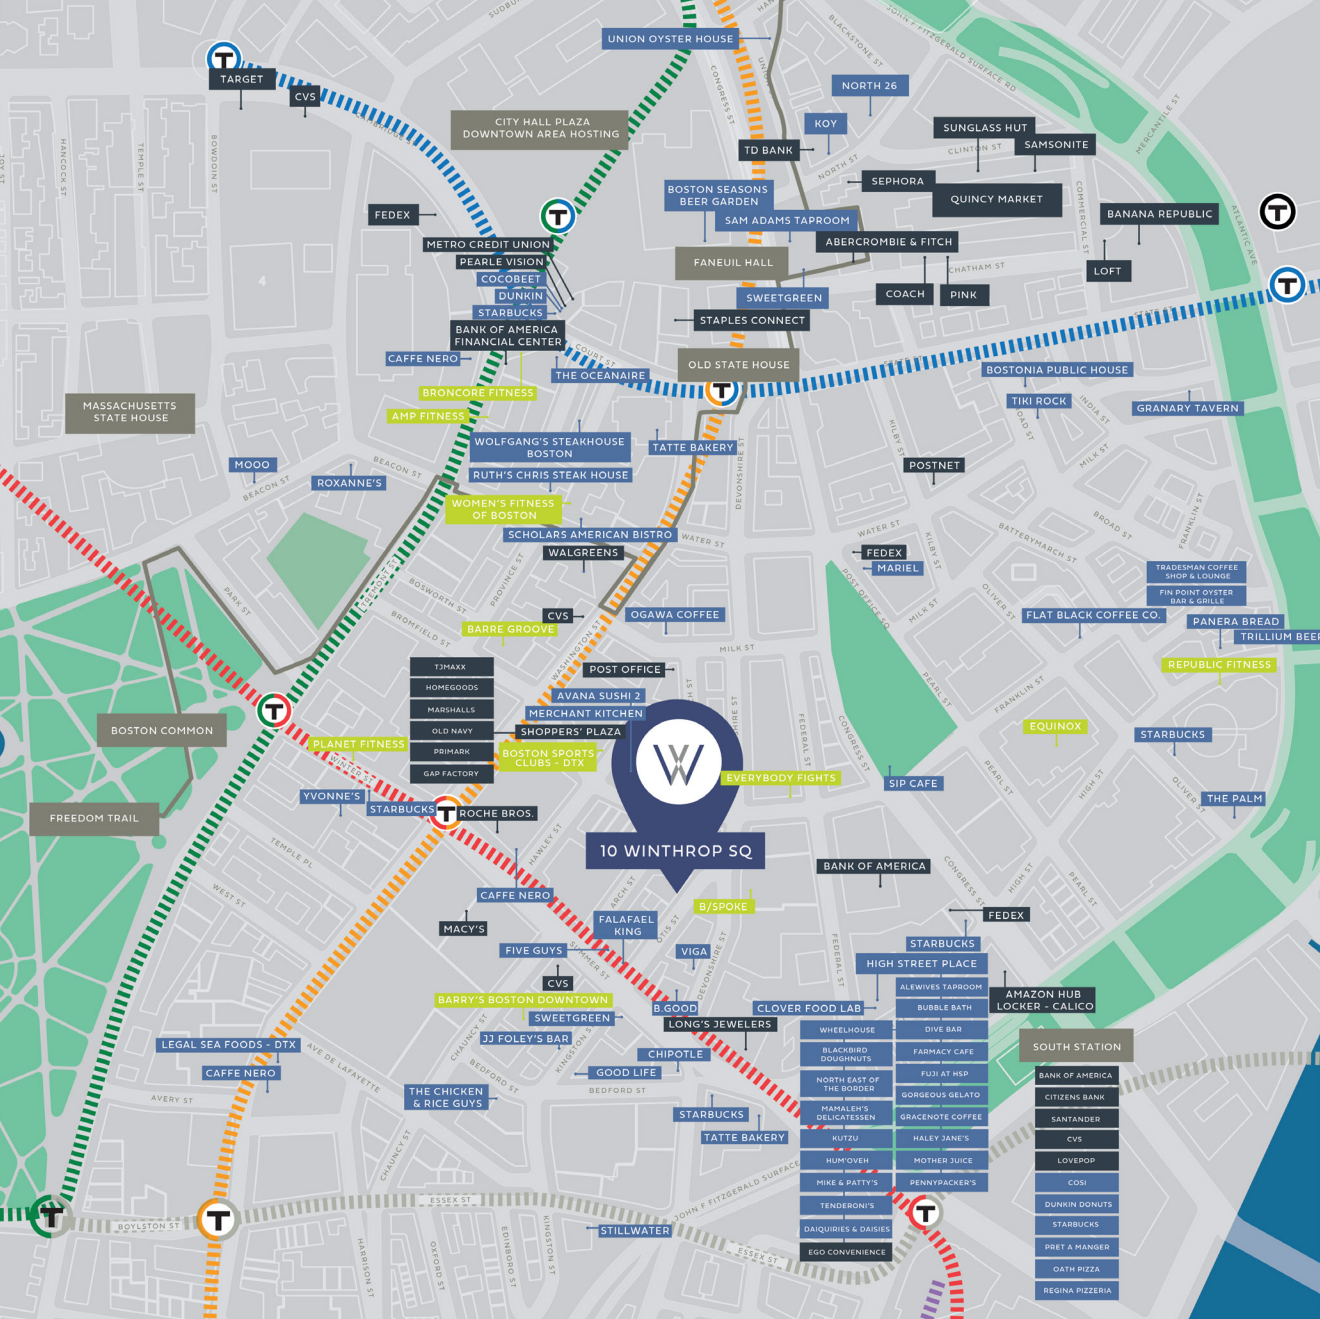

10 Winthrop Square features a highly visible storefront facing Winthrop Square Park with 10ft windows, ceiling heights of up to 15ft, and an exclusive retail entrance through a new glass addition.

LOCATION

Located between Downtown Crossing & Post Office Square, this retail opportunity is directly across from the 1.8 million SQFT Winthrop Center, set for completion by 2023. The development will feature over 812K SQFT of office space, 321 luxury rental apartments, and a public space called The Connector. A structural glass wall will open up to Winthrop Park, where all entrances face 10 Winthrop Square and are within 200FT, adding to the foot traffic of 250,000 daily pedestrians in Downtown Boston.
